INSTRUCTIONS TO VOTERS: To vote for a candidate whose name appears on the ballot, mark a cross (+), checkmark (✓), or (x) in the voting square to the right of the candidate's name.

To vote for a qualified write-in candidate, write the person's name in the blank space provided for that purpose after the names of the other candidates for the same office and mark a cross (+), checkmark (✓), or (x) after the name of the candidate.

Mark a cross (+), checkmark (✓), or (x) after the name of the candidate for the office for whom you desire to vote, not to exceed, however, the one candidate to be elected.

Every holder of title to land situated within the District, or his legal representative, shall be entitled to cast one vote for each dollar of District assessed value of land to which he holds title, as provided in the "California Water District Law."

The Voter's Pamphlet contains more detailed information and instructions.

The Secretary of the District at the time of mailing the ballot to each person qualified to vote has inserted thereon in both spaces provided for that purpose the number of votes which the voter is entitled to cast on that ballot. Any error in the number of votes shall be corrected by the Secretary in pen and ink or indelible pencil.

All marks except the (+), checkmark (✓), or (x) and the data entered hereon by the Secretary are forbidden. If you wrongly mark, tear, or deface this ballot, enclose the spoiled ballot in the Identification/Return Envelope, mark a check in the spoiled ballot box on the Envelope and return it to the Secretary to obtain another ballot.

INSTRUCCIONES A LOS ELECTORES: Para votar por un candidato cuyo nombre aparece en la balota, marque una cruz (+), marca de

**STATEMENT OF CANDIDATE FOR
DIRECTOR
Westlands Water District**

STAN NUNN

Occupation: Farmer

Education and Qualifications: Attended California Polytechnic State University, San Luis Obispo, CA

I am a fourth generation California farmer and have been farming in the Westlands Water District since 1985, specifically in the Cantua Creek area. I farm almonds, apples, garlic, processing tomatoes, lettuce and sweet corn.

I have served as a director with the California Tomato Growers Association since 1995. I have served as a board member with the East Contra Costa Irrigation District since 2014.

As a lifelong farmer, I understand the importance of preserving good stewardship and management of water usage. This is why I want to serve on the Westlands Water District Board of Directors.

**STATEMENT OF CANDIDATE FOR
DIRECTOR
Westlands Water District**

JASON PUCHEU

Occupation: Landowner Representative

Education and Qualifications: My appreciation of farming comes from my family, the friends I have grown up with, and the new friends I have had the opportunity to work with over my career. While I could not have predicted the path my life and career would take as a child, it is of little surprise that farming would be part of it. That said I never thought much about water growing up, but it is the part of business that I enjoy managing the most today. I have managed all aspects of water within Westlands for over 15 years and over the past four years I have had the opportunity to manage water for groundwater banking in kern County as well as for farming operations within Districts that are part of State Water Project, Kings River, and Exchange Contractors. I feel that these experiences will help bring value and insight for future Board considerations.

If chosen to serve as a Director I am looking forward to working with the existing Board and District staff in navigating the challenges that face us with SGMA and the continuing volatility in surface water supplies.

I thank you in advance for your consideration.
