This document is in reference to the engagement letter dated May 21, 2019, between the City of Coalinga and Price Paige & Company. The parties agree to amend the following paragraph.

*The section that reads:*

"Our fees for the accounting consultation to assist the City in the services listed above will be billed at the hourly billing rates for the individuals involved, plus out-of-pocket expenses. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your consulting. Our billing rates are reviewed annually and, where appropriate, adjusted for any increases due to inflation and other factors. We will issue a monthly billing statement for the work completed in that month. Payments for services are due when rendered and interim billings may be submitted as work in progresses and expenses are incurred."

*Shall now read:*

"Our not-to-exceed fee for the accounting consultation to assist the City in the services listed above for the year ending June 30, 2018 is \$17,500. Our fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered. If significant additional time is necessary, we will discuss it with you before we incur the additional costs. Our fees for these services will be billed at the hourly billing rates for the individual involved, plus out-of-pocket expenses. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. We will issue a monthly billing statement for the work completed in that month. Payments for services are due when rendered and interim billings may be submitted as work progresses and expenses are incurred."

No other terms or conditions of the engagement are negated or changed as a result of this addendum.
