INTRODUCTION

The City of Coalinga (“City”) is the Housing Successor to the former Coalinga Redevelopment Agency (“Agency”), which was dissolved on February 1, 2012. With dissolution, the former Agency’s affordable housing rights, powers, assets, liabilities, duties, and obligations, excluding any amounts in the Agency’s Low and Moderate Income Housing Fund, were transferred to the Housing Successor. Unlike the former Agency, the Housing Successor could not collect a recurring stream of funds for which to fulfill affordable housing obligations and needs. All former Agency housing assets and liabilities were transferred to the City as Housing Successor through a Housing Asset Transfer Form approved by the Department of Finance (“DOF”) on December 15, 2012.

This is the fourth annual report of the Coalinga Housing Successor with respect to the inherited affordable housing obligations from the former Agency. It contains information regarding expenditures and program activity and complies with legal requirements imposed by Senate Bill (“SB”) 341 (effective January 1, 2014), Assembly Bill (“AB”) 1793 (effective January 1, 2015) and SB 107 (effective September 22, 2015).

DEFINITION OF HOUSING ASSETS

According to Health and Safety Code (“HSC”) Section 34176(e), housing assets may include the following.

- Real property
- Restrictions on the use of property
- Personal property in a residence
- Housing-related files
- Office supplies and software programs acquired for low-and moderate-income purposes
- Funds encumbered by an enforceable obligation
- Loan or grant receivable funded from the former LMIHF
- Funds derived from rents or operation of properties acquired for low-and moderate-income housing purposes
- Rents or payments from housing tenants or operators of low-and moderate-income housing
- Repayment of Supplemental Educational Revenue Augmentation Fund loans

The assets transferred from the former Agency to the City as Housing Successor include real properties and loans receivable.

REPORTING REQUIREMENTS OF SENATE BILL 341

On January 1, 2014, Senate Bill 341 (“SB 341”) became effective and amended certain sections of the HSC that pertain largely to the entities that accepted the housing assets and liabilities of former redevelopment agencies. Originally put into law by SB 341 and later amended by AB 1793, the law clarified that all former redevelopment agency housing assets, regardless of their originating redevelopment agency, must be maintained in a separate fund called the Low and Moderate Income Housing Asset Fund (“Housing Asset Fund”). In accordance with HSC Section 34176.1(f), the following data must now be reported annually for the Housing Asset Fund. Please note that while annual reporting is required, compliance periods may be longer, as described below. Not all items are applicable to all housing successors.

1. Total amount deposited in the Housing Asset Fund for the Fiscal Year.
2. Statement of balance at the close of the Fiscal Year.
3. Description of expenditures for Fiscal Year broken out as follows:
 - a. Rapid rehousing for homelessness prevention (maximum of \$250,000 per year)
 - b. Administrative expenses (greater of \$207,200 or 5 percent of "portfolio")
 - c. Monitoring expenses (included as an administrative expense)
 - d. All other expenditures must be reported as spent for each income group (extremely low-, very low-, and low income)
4. Sum of other "Portfolio" balances
 - a. Statutory value of real property either transferred from the former Agency or purchased by the Housing Asset Fund.
 - b. Value of loans and grants receivable.
5. Descriptions of any transfers to another housing successor for a joint project.
6. Description of any project still funded through the Recognized Obligation Payment Schedule ("ROPS").
7. Update on property disposition for any property owned more than 5 years or plans for property owned less than 5 years.
8. Description of any outstanding production obligations of the former redevelopment agency that are inherited by the Housing Successor.
9. Compliance with proportionality requirements (income group targets). Compliance must be upheld on a five-year cycle.
10. Percentage of deed-restricted rental housing restricted to seniors and assisted by the entity assuming housing functions, the former Agency, or the City as Housing Successor within the past 10 years compared to the total number of units assisted by any of those three agencies.
11. Amount of excess surplus, and if any, the plan for eliminating the surplus.
12. An inventory of homeownership units assisted by the former Agency or its housing successor subject to covenants or restrictions.
13. The amount the City receives from the repayment of City loans to the former Agency pursuant to HSC 34191.4(b)(3)(C) (if any).

LOW AND MODERATE INCOME HOUSING ASSET FUND

The Low and Moderate Income Housing Asset Fund succeeded the former Agency's Low and Moderate Income Housing Fund. The Housing Asset Fund includes all the assets that were transferred from the Agency to the Housing Successor via the Housing Asset Transfer form which included:

1. Real properties, and

2. Loans/grants receivable

A copy of the Housing Asset Transfer Form ("HAT") listing all transferred assets is included as Appendix A. The HAT was approved by the Department of Finance on December 15, 2012.

HOUSING ASSET FUND DEPOSITS AND ENDING BALANCE

The Housing Successor deposited \$115,702 into the Housing Asset Fund during Fiscal Year 2016-17. The source of the deposits was from loan payments, loan payoffs, and interest. No deposits were held for items on the ROPS.

Fiscal year 2016-17 Housing Asset Fund expenditures totaled \$7,064. Expenses included costs for general administration, property maintenance and operations, and loan servicing fees.

At the close of fiscal year 2016-17, the ending balance in the Housing Asset Fund was \$181,581. No amounts were held for enforceable obligations on the ROPS.

EXPENDITURE LIMITATIONS

SB 341 provides the following guidelines for expenditures from the Housing Asset Fund:

1. Administrative costs, which include housing monitoring, are capped at \$207,200 or 5% of the statutory value of any land owned by the housing successor and of loans and grants receivable.
2. A housing successor is authorized to spend up to \$250,000 per year on rapid rehousing solutions for homelessness prevention if the former Agency did not have any outstanding housing production requirements.
3. Remaining allowable expenditures must be spent to improve housing options affordable to households earning 80% or less of the area median income ("AMI"). This means that no funding may be spent on moderate-income households, as was previously authorized by redevelopment law. Of the money expended, a minimum of 30% must go towards the development of rental housing affordable to

households earning 30% or less of the AMI, and a maximum of 20% may go towards the development of housing affordable to households earning between 60% and 80% of the AMI.

Note that housing successors must report expenditures by category each year, but compliance is measured every five years. For example, a housing successor could spend all its funds in a single year on households earning between 60% and 80% AMI, if it was 20% or less of the total expenditures during the five-year compliance period. The first five-year compliance period begins on January 1, 2014 and ends on June 30, 2019. Compliance will be evaluated in the annual report for Fiscal Year 2018-19.

Table 2 summarizes Housing Asset Fund expenditures on administrative costs and rapid rehousing solutions in Fiscal Year 2016-17, and affordable housing activities by income level from January 1, 2014 through June 30, 2017.

STATUTORY VALUE OF REAL PROPERTIES AND LOAN RECEIVABLES

The Housing Successor must report the statutory value of real properties formerly owned by the Agency or purchased by the Housing Successor with Housing Asset Funds, and the value of loans and/or grants receivable transferred on the Housing Asset Transfer Form. The Housing Successor inherited three real properties (Property #2 is comprised of four separate parcels), 50 loan receivables, and seven grants from the former Agency. Table 3 shows the current total value of real properties and loans receivable. The Housing Asset Transfer Form in Appendix A shows more detailed information about each property and loans/grants receivable.

Since the Housing Asset Transfer form was adopted, 16 loans have been paid off, including 15 first-time homebuyer loans and one rehabilitation program loan. Total Fiscal Year 2016-17 loans receivable balance was \$1,516,857.

MONEY TRANSFERRED BETWEEN HOUSING SUCCESSORS

SB 341 requires that when two or more contiguous housing successors enter into a joint venture to provide (A) a description of any transfers made in the previous fiscal year and in earlier fiscal years and (B) a description of and status update on any project for which transferred funds have been or will be expended.

The Agency has not entered into a joint venture with another housing successor, therefore there is no description or status update to provide.

PROPERTY AND PROJECT DESCRIPTIONS

The Agency transferred three real properties to the Housing Successor on the Housing Asset Transfer Form. Table 4 describes each property and its current status. The Housing Successor is developing a strategy for each property's disposition or development, taking several factors into consideration, including whether it is more beneficial to develop properties to provide housing, or to receive sales proceeds to spend on affordable housing activities within the expenditure limitations set by SB 341.

PROPERTY DISPOSITION COMPLIANCE

HSC Code Section 34176(e) requires that all real properties acquired by the Agency prior to February 1, 2012 and transferred to the Housing Successor be developed pursuant to the requirements detailed in HSC Section 33334.16. Thus, all property that falls within these parameters must be developed for affordable housing purposes within 5 years from the date DOF approved the Housing Asset Transfer Form. Coalinga's Housing Asset Transfer Form was approved by DOF on December 15, 2012, setting a 5-year deadline of December 15, 2017. If the Housing Successor is unable to develop these properties within the 5-year period, the law allows for a 5-year extension via adoption of a resolution. The Housing Successor is developing a strategy that will comply with disposition requirements.

OUTSTANDING INCLUSIONARY AND REPLACEMENT HOUSING OBLIGATIONS

SB 341 requires housing successors to describe (A) any outstanding obligations that were supposed to be transferred to the housing successor at the time of dissolution, (B) the housing successor's progress in meeting those obligations, and (C) the housing successor's plans to meet unmet obligations.

The Agency did not have any outstanding inclusionary or replacement housing obligations at the time of dissolution. There are no outstanding inclusionary or replacement housing obligations to be fulfilled by the Housing Successor.

INCOME EXPENDITURE PROPORTIONALITY

Expenditures from the Housing Asset Fund shall be limited to the development of housing affordable to and occupied by lower income households earning 80% or less of the AMI, with at least (not less than) 30% of expenditures for rental housing for households earning 30% or less of the AMI and not more than 20% of the expenditures for on the development of housing for households earning between 60% and 80% of the AMI.

Failure to comply with the extremely low-income requirement in any 5-year report will result in the Housing Successor having to ensure that 50% of remaining funds be spent on extremely low-income rental units until in compliance. Exceeding the expenditure limit for households earning between 60% and 80% of the AMI in any 5-year reporting period will result in the Housing Successor not being to expend any funds on these income categories until in compliance.

As depicted in Table 2, the Housing Successor has not expended any funds other than for administrative purposes at this time. Should any funds be expended in the future, staff will ensure that the Successor Agency meets expenditure proportionality requirements by the end of the first five-year compliance period in Fiscal Year 2018-19.

SENIOR HOUSING EXPENDITURE PROPORTIONALITY

This report must include an accounting of deed-restricted senior rental units that were produced over the last ten years. The Housing Successor must expend no more than 50% of the aggregate total number of senior housing units produced by either the Housing Successor or former Agency during the past 10 years. Exceeding this limitation will prohibit the use of Housing Asset Funds to subsidize any senior rental units.

Over the last 10 years, no affordable senior rental units were constructed. The percentage of affordable rental units developed for seniors is therefore 0%. By default, the Successor has not exceeded the 50% threshold.

EXCESS SURPLUS

Excess surplus calculations were once performed by redevelopment agencies on an annual basis and are intended to ensure that funds are expended to benefit low-income households in an expeditious manner. Generally speaking, funds should be encumbered within four years of receipt. SB 341 reinstates this calculation for housing successors. Excess surplus is defined by HSC Section 34176.1(d) as “an unencumbered amount in the account that

exceeds the greater of one million dollars, or the aggregate amount deposited into the account during the housing successor's preceding four fiscal years, whichever is greater."

The first meaningful calculation of this total cannot be performed until the close of the fifth fiscal year. Once four years of deposits have been established, at the close of the fifth year, the Housing Successor will have to perform a true excess surplus calculation, comparing the unencumbered fund balance to the prior four years of deposits. The first five-year compliance period begins on January 1, 2014 and ends on June 30, 2019. Compliance will be evaluated in the annual report for Fiscal Year 2018-19.

INVENTORY OF HOMEOWNERSHIP UNITS

AB 1793 requires this report to include an inventory of homeownership units assisted by the former Agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former Agency's investment of moneys from the Housing Asset Fund. This inventory is attached as Appendix B.

DEPOSITS FROM CITY TO AGENCY LOAN REPAYMENTS

HSC Section 34191.4(b)(3)(C) requires that twenty percent of any loan repayment made from a successor agency to a City for a loan to the former redevelopment agency be deducted from the loan repayment amount and transferred to the Housing Asset Fund. There were no loan repayments made to the City in FY 2016-17, so no monies were deposited into the Housing Asset Fund based on this provision of the law.
