WHEREAS, the Authority has previously issued its \$12,830,000 Coalinga Public Financing Authority Revenue Bonds, Series 2012 (Water and Wastewater Financing Projects) (the "2012 Bonds"), of which \$12,200,000 principal amount is outstanding, to finance and refinance the acquisition and construction of certain improvements and facilities constituting part of the City's municipal water enterprise (the "Water System") and to finance and refinance the acquisition and construction of certain improvements and facilities constituting part of the City's municipal wastewater enterprise (the "Wastewater System");

WHEREAS, the City has determined that, due to prevailing financial market conditions and for other reasons, it is in the best interests of the City to (a) refinance its obligations to make payment with respect to the 2012 Bonds and to provide for the advance refunding of the 2012 Bonds, and (b) finance the acquisition and construction of additional improvements and facilities of the Water System (the "Water Improvement Project");

WHEREAS, in order to provide for the repayment of the Bonds, (a) the City will sell the Water System to the Authority and the Authority will sell the Water System and the Water Improvement Project to the City pursuant to an installment sale agreement (the "Water Installment Sale Agreement"), under which the City will agree to make installment payments to the Authority payable from the net revenues of the Water System, and (b) the City will sell the Wastewater System to the Authority and the Authority will sell the Wastewater System to the City pursuant to an installment sale agreement (the "Wastewater Installment Sale Agreement"), under which the City will agree to make

installment payments to the Authority payable from the net revenues of the Wastewater System which payments, together with the payments under the Water Installment Sale Agreement, will be calculated to be sufficient, in time and amount, to enable the Authority to pay the principal of and interest and premium (if any) on the Bonds when due and payable;

WHEREAS, the form of an official statement (the "Official Statement") describing the Authority, the City, the Water System, the Wastewater System, the Bonds and other matters, to be used in connection with the marketing of the Bonds, has been prepared and presented to the City;
