Prices are subject to change at SLUS' discretion. Quote is partially based on Customer information. If the information is found to be incorrect at anytime or unknown site conditions are found during installation, SLUS may revise the quote to include any additional parts and labor to successfully complete the job. Such additional parts and labor will be subject to Customer's written approval. If the Customer chooses not to accept the revised quote and therefore, the job cannot be completed successfully, SLUS may remove any materials and products that SLUS installed and Customer will only be responsible for any labor that was performed thus far and any products and materials that cannot be reused.
